Picture	Model	Weight	Sizes Available (US)	Women's Model Available	Description	Selling Price (RM)
	ProGrid Triumph 6	11.5oz	7, 7.5, 8, 8.5, 9, 9.5, 10,10.5,11,12	No	The Triumph 6 combines the plushness of the Triumph 4 with the smooth transition of the Triumph 5 to produce the best cushioning shoe we've ever made. There's an increase in the volume of the ProGrid to provide even better cushioning and our new, ComfortRide sockliner, which enhances first-time fit and feel and is also anti-bacterial, anti-microbial and highly durable	320
	Grid C2 Roadster	10.0oz	8, 8.5, 9, 9.5, 10,10.5,11	Unisex	Running shoe built for the neutral to under-pronator who requires an enhanced cushioning. Grid® Compression Cradle (C2) technology attenuates shock to provide a cushioned ride with the ideal amount of stability. Air mesh upper offers a lightweight and breathable feel. HRC Strobel Board increases cushioning and step-in comfort.	250
	ProGrid Jazz 12	10.3oz	8, 8.5, 9, 9.5, 10,10.5,11	Yes	Features incredible cushioning for the neutral runner, smooth and seamless transition from heel to forefoot and impeccable Saucony fit and feel. The upper features air mesh, forefoot lockdown, premium sockliner and HRC strobel board. The midsole offers heel ProGrid, compression molded EVA and SRC impact zone.	230

CATEGORY: STABILITY

Picture	Model	Weight	Sizes Available (US)	Women's Model Available	Description	Selling Price (RM)
	ProGrid Paramount	12.5oz	8, 8.5, 9, 9.5, 10,10.5,11	No	Designed for the runner with minimal to moderate over- pronation who's looking for a well- cushioned, flexible performance shoe that provides a superbly responsive ride. Innovative climate-control technology in the Paramount keeps feet drier and maintains ideal temperature for exceptionally comfortable runs time after time.	430
	ProGrid Omni 7	12oz	7, 7.5, 8, 8.5, 9, 9.5, 10,10.5,11	Yes	The ProGrid Omni 7 Ultimate offers support for varying degrees of pronation, Saucony's heritage fit and inherent support in upper. The upper features an Ortholite sockliner, lightweight breathable mesh, midfoot arch strap and HRC strobel board. The midsole offers heel ProGrid, triple density SSL EVA, and SRC impact zone and SRC forefoot cushioning.	275
	ProGrid Hurricane 10	12.2oz	7, 7.5, 8, 8.5, 9, 9.5, 10,10.5,11	Yes	One of Saucony's premier training shoes, the updated Hurricane 10 delivers a great balance between cushioning, responsiveness and support. A new decoupled heel smooths out the heel-to-toe transition. Midsole sculpting has lightened the shoe and made it more flexible. Progrid delivers a fantastic ride.	320
	Progrid Guide 5	11.4oz	8, 8.5, 9, 9.5, 10,10.5,11	No	The Guide is the update to the Trigon 5 Guide. Although the name has been simplified, the shoe continues to deliver great performance. Designed for mild overpronation, the Guide takes full advantage of shoe engineering to offer a cushioned ride with good flexibility.	260
